RE: NOTICE OF CANCELED NEIGHBORHOOD MEETING ON MARCH 18, 2020

Dear Resident / Property Owner,

This letter is to inform you that the City is **CANCELING the reconstruction informational meeting for the upcoming Lawrence Avenue & Carlton Street projects on March 18, 2020 at 6:00 PM at the Howard Miller Community Center (Main Floor Banquet Room.)**

You likely received a letter on Saturday (3/14) stating the we would still hold the meeting. However, in light of the evolving Coronavirus situation, we needed to make the decision to close the Howard Miller Library/Community Center at noon on March 14 through April 5, 2020 to mitigate social gathering areas.

Once we have more information from the contractor on their proposed work schedule, we will send that information in an update letter to you. We will address all of the information we typically cover at our neighborhood meeting in the letter. However, we also understand that sometimes property owners have individual questions.

To answer your individual questions, please do not hesitate to contact City Offices at 772.0870 and we will be happy to address questions you may have (i.e., tree removals, project start dates, etc.) If desired, we can also arrange a personal meeting with you.

We thank you for your patience and understanding during these unprecedented times.

Sincerely,
CITY OF ZEELAND

Timothy R. Klunder, City Manager
