R-102 REPEALS AND EFFECT

All pre-existing rules and regulations are hereby repealed. The most recently adopted rules and regulations shall be applicable as of the date of their adoption, provided that monuments which were erected prior to the current rules and regulations shall be permitted monuments, although such monuments may not be replaced if the replacement will not comply with the then current rules and regulations.

R-103 VALIDITY

The invalidity of any section, clause, sentence or provision of these rules and regulations shall not affect the validity of any other part of such rules and regulations which can be given effect without such invalid part or parts.

R-104 MORE STRINGENT REGULATIONS

Where provisions of any applicable local, state or federal law, rule or regulation, impose greater restrictions or higher standards than the restrictions and standards contained in these regulations, then the provisions of such other law, rule or regulation shall control.

SECTION II CEMETERY MANAGEMENT

R-201 RESPONSIBILITY

The efficient management and operation of Zeeland City's municipal cemeteries are the responsibility of the City Superintendent. The City Superintendent may designate or employ such employees as are deemed necessary to administer the requirements of these rules and regulations and to supervise and operate the municipal cemeteries, in accordance with the city's personnel classification and position system.

R-202 OPERATIONAL PROCEDURES

Cemetery employees so designated will be responsible for consultation with lot owners, prospective purchasers and visitors, and shall render assistance and advice

as is able to be given. All work usual or incidental to the care and maintenance of the cemeteries will be performed by such employees, except as may otherwise be authorized by the City Superintendent.

**SECTION III
CEMETERY LOTS**

R-301 LOCATIONS

Cemetery lots are currently available in various plats within the Zeeland Municipal Cemetery located at 220 E. Lincoln Avenue and at the Felch Street Cemetery located at 10149 Felch Street. Selected locations are available in previously platted sections referred to as General, Restlawn, Veterans, Babyland and Peck Street additions.

R-302 PRICES

Cemetery lot prices are established by recommendation of the Cemetery Commission and by resolution of the City Council. Lots sold to non-residents of the city are priced at a higher rate. Purchasers receive burial rights but do not obtain ownership title to any portion of the cemeteries.

City Residency shall be determined by a person's "domicile". Evidence of a person's "domicile" shall be determined by ownership of a residential dwelling place and/or the rental of an apartment inside the City Limits of Zeeland, Michigan, or the address that is listed on the decedent's tax return at the time of the decedent's death.

R-303 PERPETUAL CARE SERVICES

The purchase price of all lots includes the provision of perpetual care for each lot by the City of Zeeland. The determination as to the type and amount of such care remains with the Cemetery Commission and the City Council, but is generally intended to include maintenance of the cemetery grounds (lawns, trees, drives, walks and buildings). Lots originally sold without provision of perpetual care are also now extended such care.

R-304 SERVICES NOT EXTENDED

The City of Zeeland does not provide maintenance services for urns currently existing on any lot, or for lot foundations or monuments. At the discretion of cemetery employees, such services may be provided for a charge imposed by the city.
